

VALUATION: CUSTOMER'S DECLARATION OF VALUE

You must select in your own handwriting one of the following two options for your shipment:

The option you select established your mover's maximum liability for your goods, subject to the rules contained in your mover's tariff.

Option 1: Full Replacement Value Protection. If any article is lost, destroyed or damaged while in your mover's custody, your mover will either 1) repair the article to the extent necessary to restore it to the same condition as when it was received by your mover, or pay you for the cost of such repairs; or 2) replace the article with an article of like kind and quality, or pay you for the cost of such replacement. An additional charge applies for this option.

To select Option 1, you must write, on the line below, either a lump sum dollar amount for the value of your shipment that may not be less than \$5,000, or an amount per pound that may not be less than \$8.00 per pound, whichever is greater.

The value of my shipment is: _____

You must also select one of the following deductible amounts that will apply for your shipment.

No Deductible () Initial \$250 Deductible () Initial \$500 Deductible () Initial

** (The actual charges for your FRV protection will be based on the actual net weight of your shipment at \$8.00 per pound, minus the declared weight of your high value items in your shipment, then added to the declared valuation of the high value items and your selected deductible amount for your shipment to achieve your premium cost.) **

Option 2: Released Value of 60 cents Per Pound Per Article.

If any article is lost, destroyed or damaged while in your mover's custody, your mover's liability is limited to the actual weight of the lost, destroyed or damaged article multiplied by 60 cents per pound per article. This is the basic liability level and is provided at no additional charge. It is considerably less than the average value of household goods.

To select Option 2, you must write, on the line below, the words "60 cents per pound per article."

The value of my shipment is: _____

Exception Notice: The above released valuation does not apply to shipments while in transit outside of the United States or in transit by water in the noncontiguous domestic trade of the United States. On such shipments, carrier's liability for loss or damage is limited to the amount of actual loss of damage not exceeding ten (10) cents per pound of the weight of the article and in no event shall carrier's liability exceed the liability under the Carriage of Goods by Sea Act of the United States.

Your signature is required here: I acknowledge that (1) I have declared a value for my shipment and selected a deductible amount, if appropriate and (2) received and read a copy of the mover's brochure explaining these providers and the applicable charges.
